V. A. NEWSLETTER

Just being a veteran does not guarantee anyone hospitalization by Veterans Administration.

M. L. Stoddard, Manager, Veterans Administration Center, Togus, said VA first takes care of all eligible veterans who need hospitalization for service-connected diseases and disabilities.

The second group includes veterans discharged for disability incurred in line of duty or receiving compensation from VA for disability who need hospitalization for non-service-connected conditions. They may be admitted to VA hospitals when beds are available, Stoddard said.

The third group includes war veterans without service-connected conditions who may, under the law, be admitted to VA hospitals if three conditions are met.

First, they must need medical care of a type or extent for which hospitalization is required.

Second, they must certify under oath they are unable to pay for the needed hospitalization elsewhere.

Third, a hospital must have a bed available.

Mr. Stoddard said peacetime veterans are eligible for care in a VA hospital only if they were discharged under other than dishonorable conditions for disability incurred in line of duty, or are receiving VA compensation for service-connected disability.

He added that VA hospitals, like other hospitals, accept emergency patients as a life-saving measure, and that VA priorities for admission are waived in such cases.

Safe Trailering
Is a Breeze

By Martha Johnson
Dodge Safety Consultant

WHILE breezing along the vacation highway this Summer with the family boat or house-trailer, would you be able to spell your husband with the driving?

If the very thought of pulling a trailer brings panic, my experiences prove it's a cinch.

On a recent trip from Detroit to Houston I discovered the established cautious, courteous traffic safety rules and a few special precautions are the main requirements.

I learned to:

Drive at more moderate speeds. The added weight of a trailer requires more stopping distance.

Allow plenty of clearance when passing, changing lanes and turning.

When backing, steer left to make the trailer go to the right.

Make frequent safety checks of the trailer enroute.

Never allow anyone to ride in the trailer.

Before leaving home, make certain your husband has checked these points so your trip will be enjoyable and free from worry:

Check your state's motor vehicle laws and those of states through which you will travel.

Make certain the car is capable of pulling the extra weight.

Hitch should be bolted to the frame of the car, not just the bumper. Supplement the hitch with a safety chain.

Provide clearly visible reflectors, direction and warning lights on rear of trailer.

Both divisions of Brownie Troop 8 are asked to meet at Mrs. Merrill's for the next meeting which will be April 28. Following the business meeting we will visit the Citizen Office, weather permitting.

The second grade Brownies met at the Primary School Tuesday afternoon. Two members, Candace Smith and Brenda Robertson were absent. We made straw necklaces and learned how to sew on buttons. Then we played games outdoors. Carol Sue Brown and Nancy Beane brought refreshments. The girls all said "thank you" to Mrs. Eleanor Bean, who has been assistant leader the past few months.

There were 15 boys present. We are going to have a contest to see who can build the best miniature signal tower. We practiced marching for the Memorial Day parade. Pine Tree Patrol.

—Larry Smith, Keeper of the Buckskin.

Den 5 met Tuesday night at the home of our Den Mother, Mrs. Harold Rolfe. We went to Thursday's farm and enjoyed seeing the baby calves and cows. We also saw a big bull in a pen. They showed us how the milking machines worked. They had cats in the barn and they chased after the man with the pails of milk. After our trip we went back to Mrs. Rolfe's and all enjoyed baseball. Refreshments were furnished by Jimmy Young. Denner — Bobby Herzog. Keeper of the Buckskin, Rodney Hanson.

Den 2: We held our meeting Tuesday at Mrs. Mary Paine's house. We finished making our gardens and then had refreshments which were brought by Albert Lake. Then we played baseball at the Primary School Playground.

Cub Scouts, Den 4, April 15: We met with our Den Mother, Mrs. Annie Hastings at 8:15 P. M. We had a lunch of cup cakes and ice cream, then on to the business at hand. First we gave the Pledge of Allegiance to the Flag, then we sat down and learned how to whistle properly, with a jackknife. One has to be very careful as it is so easy to get a severe cut. Each week it seems that our hour for the meeting gets shorter, we get so interested in what we are making. We formed our closing circle and started home but it was such nice weather we had a short game of ball and then went home. There will be no meeting next week, then the 24th of April pack meeting, 8:00 a.m. and about to come dressed as farmers (plains) and bring their plants with them. Until then, this is, Keeper of the Buckskin, Paul Salway.

Mrs. Marion Kimball has been working days for her sister, who was ill with pneumonia.

Mr. and Mrs. Earlon Keniston and Lona were in Portland, Sunday to visit his nephew who is recovering from rheumatic fever.

Bertha Kimball and Willem Bean

are among those who have been sick.

Mr. and Mrs. Erlon Paine, Linda and Dede, and Mrs. Ruth Dorion, were callers at Ralph Kimball's, Sunday.

Mr. and Mrs. Stanley Bean and Mark, and Mrs. Maud Kimball, of Litchfield, were supper guests at Ralph Kimball's, Monday night.

"Up until the end of the war, U. S. industry was the undisputed master of mass production knowledge. Now our technological advantage is rapidly disappearing. Other countries have plants and machinery just as modern, and in some cases even more modern than our own. Yet their wage scales are substantially lower. We have to face the fact that, in many lines, we are pricing ourselves right out of the world market. It is up to us to make clear to all that we have to keep prices and costs down."

Cameron.

He was one of the best and kindest of men always ready to help in times of trouble.

Don was married to Alice Maude Abbott of Lisbon Falls, Maine, in 1915 and in 1919 purchased the Water Buckman place at Wilson's Mills, working together he and his wife built it up to be one of the best sporting and tourist places in the vicinity.

Their son, Milton, was born there in 1924.

Don was known as one of the best guides, hunters, fishermen, and trappers in the north country.

He was prominent in town affairs and served as an assessor for many years. He also worked in a shipyard during World War II and in the Aleutian Islands a year.

One of the great events of Don's life was guiding President Eisenhower at Parmanence and another was the receiving of the oil painting of himself painted by the President and presented him at a dinner at Bangley by Mr. Whittemore, then the President of the Brown Company.

His life was a very active colorful one until he sustained a paralytic stroke in January 1955 and since then it has been hard for him to get about.

Don's funeral was held in the Wilson's Mills church on April 15 at 2 p. m., with Mr. Davis, the Methodist minister from Colebrook, officiating. A very large number of people, some from very far away, were present and the floral tributes were many and beautiful. One was from Mr. Whittemore.

Many messages of condolence were sent to Mrs. Cameron and Milton, including ones from Sherman Adams and President Eisenhower. The bearers were Rolfe Bennett, Dean Howard, Clifford Lane and Fay Vaughn. Burial was

in the Wilson's Mills Cemetery near his home in sight of the mountains he loved and knew so well.
